# Introduction

**AIMAN FOOD AND BEVERAGES CO.** is the sister-concern company of the Aiman Comercio Geral, in the city of Luanda, Angola. It was first founded in 2004 and have become the well-reckoned name, engaged in the manufacturing of food brand. Initially, the major markets were East, West & South Africa, Angola and Mozambique. After the enormous success in the region, the company decided to launch the unmatched quality fruit drinks in Pakistan and setup the manufacturing facility in the heart of the Punjab, in the year 2014.

We are a manufacturer well equipped with fully-upgraded production facility. In pursuing state-of-the-art technology, we offer a variety of flavours and packing for the consumer's ease and the choice. Being a professional beverage manufacturer, we select only the finest ingredients in the world and combine them with cutting-edge production techniques. Offering customers exclusive with superior fruit processing and production base with high quality standards for raw materials selection. We introduce Tamarind Drink and the revival of Pomegranate Drink in the market and produce excellent and vast range of flavours sharing to our consumers.

Being the leading and a professional manufacturer in the beverage industry, we select only the finest ingredients in the world and combine them with cutting-edge production techniques. Offering customers exclusive and customized formulae which fulfill their cost and quality requirements. Our success in this industry has been mainly due to our dedication and unfailing commitment to ensure that our range falls high on the parameters of nutritional value. We devote great efforts in sustaining quality and product stability, researching in market trends and promoting featuring products in a way towards natural, healthy, nutritious and delicious.
